

# Sudden Unexpected Child Death Training

**Tuesday 15<sup>th</sup> October 2019**

**Charmendean Centre, Forest Rd,  
Worthing BN14 9HS**

This event will provide an awareness of the working procedures and protocols that should be followed in instances of an unexpected child death. It will provide an overview of the roles of the various agencies involved, the importance of effective and timely communication with parents and will also allow discussions between multi-agency partners. The day will include a range of key speakers from the child death process who will provide valuable information on this often-challenging topic.

## **Learning Objectives of the day:**

- To gain an understanding of the current child death arrangements.
- To build on your knowledge of infant injuries, including those considered to be non-accidental.
- To provide a fuller awareness of child development and how this knowledge can support a more comprehensive understanding of the process.
- To have a clearer understanding of the role of the Police and Coroners Officer in relation to this type of incident.

**Bookings can be made via the Learning Gateway**

## **Important Information:**

The event is being held at Charmendean Centre, Worthing Refreshments will be provided during the day, but lunch is not. Please ensure you bring your own lunch on the day.

**Please note this event is free to attend however if delegates cancel within 5 working days or do not turn up on the day charge of £50 will be payable.**
